

## Roommates: Spicy Gay Reads

Life is no fun without spice and humor and a little bit of naughtiness. And if your roommate makes you wear a pigs mask while having sex in front of thousands on a trendy gay video chat line, so what? Maybe. This book of stories takes you on a ride from the college dorm to the streets of New Orleans. Who says guys cant have fun at the Doctors office or even a hospital morgue? Dive in and meet sweet boy Omar and his stripper roommate Rock Ten or nine and a half, as Omar likes to remind him. They have a nosy neighbor who keeps her ear to the wall eavesdropping on all of their raunchy escapades. And they do a lot of adventures in and out of their apartment. Imagine having sex in a church or traveling to New Orleans to throw your Gramps ashes into the Mississippi and running into a serial killer into mummification? These young men live a life in the lewd. Innocent Omar is far from being led astray. He knows what hes getting into every time he prances around Rock in the tiniest pair of bikini briefs. Sis. Clarabell Hocklight will have you in stitches as she talks about her young neighbors. College would be very hot if all of them had a Dean of Discipline like Den Porter. He sets Eckie on the right path during a very sensual spanking session in his office, done in the name of fatherly concern. A doo-rag wearing crab and a pig should know better than to go knocking at strangers door. One winds up in the gumbo, and the other makes a nice side of bacon in these two satirical stories. Some of these stories have appeared as stand-alone shorts, but its nice to have them all in one volume on your eReader. Ladies who like male on male stories will love these characters.
