

## Bob the Book

Just what is a gay book? -A book attracted to books of the same gender! Meet Bob the Book, a gay book for sale in a Greenwich Village bookstore, where he falls in love with another book, Moishe. But a freak accident separates the young lovers. As Bob wends his way through used book bins, paper bags, knapsacks, and lecture halls, hoping to be reunited with Moishe, he meets a variety of characters, both book and human, including Angela, a widowed copy of Jane Austens Mansfield Park and two other separated lovers, Neil and Jerry, near victims of a book burning. Among their owners and readers are Alfred and Duane, whose on-again, off-again relationship unites and separates our book friends. Will Bob find Moishe? Will Jerry and Neil be reunited? Will Alfred and Duane make it work? Read Bob the Book to find all the answers.
