

Logans Word: A Logan Family Western-Book 1 (Logan Family Western Series)

As Rory lay dying after the battle of Cedar Creek in the Shenandoah Valley, Captain Josh Logan gave his word to his best friend, Lieutenant Rory Nance. Now, two years later, deep in the Comancheria, Josh Logan rides to fulfill his dying friend's request. As he rides through the rolling, West Texas hills, blood-thirsty Comanches could wait in the next ravine or around the next hill. Yet, he is determined to fulfill his promise. His message delivered, he must make a decision that could cost him his life. Will Josh stay and help Rory's father save his ranch from sharpshooters, murderers, and land-grabbers, or continue to Colorado to join his brother Callum before the snow flies? *Logan's Word*, Logan Family Western Series Book One, is a fast-paced, action-packed Western in the tradition of the great Western writer, Louis L'Amour.
