

A Winters Wedding. Sharon Owens

Love in the bleak mid-winter ...Emily loves Dylan. And Dylan loves Emily. Their relationship is rock solid. Everyone says they are meant to be together, its just a matter of when - not if - Dylans going to pop the Big Question. Theres just one tiny fly in the ointment: Emily hates weddings. Which is fair enough seeing as she was jilted at the altar years ago by Alex, her supposed soulmate. Still, Dylan isnt Alex. Hes gorgeous and sexy and scruffy and kind - and more than worth taking a chance on ...But what happens when the ghost of Emilys Christmas past threatens to ruin everything? Can Dylan convince the love of his life hes different and that their wedding day will be remembered for the right reasons? After all, with a sprinkling of snow and a touch of magic in the air, theres nothing quite like a winters wedding to warm the soul...
