

## Cradle Book (American Readers Series)

Timeless yet timely and hopeful with a dark underbelly, these fables revive a tradition running from Aesop to W.S. Merwin. With a poet's mastery, Craig Morgan Teicher creates strange worlds populated by animals fated for disaster and the people who interact with them, or simply act like them, including a very sad boy who wishes he had been raised by wolves. There are also a handful of badly behaving gods, a talking tree, and a shape-shifting room. Craig Morgan Teicher is poetry editor of Publishers Weekly and a vice president on the board of the National Book Critics Circle. He lives in Brooklyn, New York.
