

## Desert Stormed

Connor Harris lost his best friends and his way in life, and joining the military offers a chance at structure and a way to regain balance in a world thrown off its axis. Meeting model handsome fellow soldier Myles Jace spins Connor in a way he has never felt. While soldiers live in close quarters day and night as part of their job, a natural result is the occasional conflict which can usually be quickly resolved. The trouble with Connor Harris and model sexy Myles Jace is never resolved even after a quick thinking drill instructor tries to use their differences as a learning tool, an experiment that ends badly and widens the rift between the men. Day and Night. Up and Down. In and Out. Opposites cannot exist without each other, but is the same true of Love and Hate? Connor and Jace are pushed to help each other in the most challenging of ways throughout this romance set against a backdrop of modern war. Desert Stormed is the story of two soldiers on a journey of love and hate against a backdrop of war in the era of Dont Ask, Dont Tell.
