

Dead World Resurrection: The Collected Zombie Short Stories of Joe McKinney

A decade ago, if youd walked into a bookstore looking for a zombie novel, you would have found only two: Brian Keenes *The Rising* and Joe McKinneys *Dead City*. Long recognized as one of the driving voices that launched the worlds fascination with the living dead, Joe McKinneys *Dead World* novels have emerged as seminal works in the Horror genre. Now, collected for the first time in *Dead World Resurrection*, are all of Joe McKinneys zombie short stories. Here youll not only find tales that provide invaluable links between the various *Dead World* novels, such as *Ethical Solution*, *Dating in Dead World*, and the award-winning story *Survivors*, but also nightmare glimpses into other post-apocalyptic worlds told in the inimitable Joe McKinney fashion. From the bleak political satire of *State of the Union* to the historical vignettes of *Starvation Army* and *Paradise of the Living Dead*, this collection features the full range of McKinneys horrific mastery of the living dead. The zombie has grown up since Joe McKinney first penned *Dead City*, yet he has continued to stand out among the throng of voices telling tales of the undead. *Dead World Resurrection* shows why.
