

## Guido Gezelle: Flemish Poet-Priest (Historical Guides to the Worlds Periodicals and Newspapers,)

In this first English-language study of one of Flanders greatest poets, Hermine J. van Nuis presents an overview of Guido Gezelles major poetry collections and focuses upon his evolution as a poet and thinker. The author places Gezelles poetry within its significant cultural and political contexts and analyzes his major poetry collections in terms of the circumstances of his life that shaped them. Synthesizing various critical viewpoints expressed in Netherlandic scholarship, van Nuis demonstrates how Gezelles poetic technique paved the way for modern Dutch poetry. The volume is complete with a selected bibliography, notes, references, and a chronology of the poets life.
