

## To Kill a Mother in Law

Mother in Law Problems? In Wesley Murphey's new thriller, Dan Thurmond has a ton of them. When Dan married Brenda he got more than he bargained for-- he got Maureen Muldano, the mother-in-law from hell. With his marriage on the rocks and shut out by his wife's restraining order, Dan can't take any more. Now his pseudo-spiritual, hypocritical, controlling mother-in-law and the other wolves in her family are going to reap what they sowed.
