

Plan B (German Edition)

In dieser Kurzgeschichtensammlung geht es überwiegend um Alternativen. Nicht immer funktioniert alles so, wie es soll. Jemand findet ein Tor zum Universum; ein Raumschiff muss gerettet werden, bevor es zerstört wird; ein neuer Krieg zwischen Deutschland und Frankreich bricht aus; Außerirdische wollen die Erde erobern. Manchmal braucht man eben einen Plan B, wenn man solche Situationen überstehen will. Die Losungen hier sind zum Teil skurril, anrühend, provokant, und stets schwingt etwas Ironie mit. Es sind Geschichten für eine kurzweilige Unterhaltung, die zugleich auch zum Nachdenken anregen.
