

## INRI (Spanish Edition)

A partir de la imagen de los cientos de cuerpos que fueron arrojados al mar, los ríos y cordilleras de Chile, INRI, el primer libro que Raul Zurita publica despues de un silencio de tres años, representa una Pasion que hace de los paisajes un inmenso memorial. Esta obra no solo constituye lo que es posiblemente uno de los momentos mas altos de la poesia de su autor sino que, segun algunos criticos, cumple con el duelo que a Chile le faltaba.
