IEEE Microwave Theory and Techniques Society MTT-S MTT-S Publications. IEEE Transactions on Microwave Theory and Techniques is the preeminent publication concerning RF and microwave technology, with an Impact Factor of 2.284 and an acceptance rate of 35%. **Student Members IEEE Microwave Theory and Techniques Society** IEEE Transactions on Microwave Theory and Techniques is a monthly peer-reviewed scientific journal covering microwave theory, techniques, and applications **IEEE Xplore: IEEE Transactions on Microwave Theory and** The MTT Society publishes four journals: The IEEE Transactions on Microwave Theory and Techniques, the IEEE Microwave and Wireless Components Letters, **For Authors IEEE Microwave Theory and Techniques Society** Results 1 - 25 of 51 The history of RF and microwave computer-aided engineering is documented in the annals of the IEEE Microwave Theory and Techniques **Author Information - Transactions IEEE Microwave Theory and** The IEEE Microwave Theory and Techniques Society (MTT-S) is a transnational society with more than 10,500 members and 190 chapters worldwide. **MTT-S Overview IEEE Microwave Theory and Techniques Society** The IEEE Microwave Theory and Techniques Society (MTT-S) is the largest technical profession society for the promotion of the theory and applications of RF, **Microwave Theory and Techniques, IEEE Transactions on** This publication covers microwave theory, techniques, and applications as they relate to components, devices, circuits, and systems involving the generation, **Microwave Theory and Techniques, IEEE - Submit an article** The Microwave Prize is the oldest award granted by the Microwave Theory and Techniques Society, dating back to 1955. The Microwave Prize recognizes the IEEE Transactions on Microwave Theory and Techniques is the preeminent IEEE Journal of Electromagnetics, RF and Microwaves in Medicine and Biology, **IEEE Transactions on Microwave Theory and Techniques Journal** The Microwave Theory and Techniques Society consists of many active local chapters which sponsor technical meetings, workshops, social events, seminar **IEEE Microwave Theory and Techniques Society Membership** Each year, the

Microwave Theory and Techniques Society sponsors (financially and/or technically) approximately 45 international symposia, conferences, and **IEEE Microwave Theory and Techniques Society Membership** Author Information - Transactions.
