

Vixens in Vegas (Boyfriend Book Stand 3)

**** For Mature Audiences 18 and over only **** Victoria Andrews No longer naive and is enjoying the best sex of her life. Her conservative views have a little kink to them now. Life has become more than she could ever have dreamed of. Haylie Harbour Not so broken. She is enjoying being put back together. Indestructible, even when her back is to the wall. Believes in the happily ever after, in whatever form it comes. Marley Roberts Tamed? Not quite, but things are changing. Fearless? Fuck yes, but she may not have to be as fearless as before. Sexually driven, until the day she dies. Gone are the college years and the dreams of their earlier days. Their blog, Boyfriend Book Stand, has become not just a book club, but a business, where the three young women work together doing what they love. Haylie loosen the reins at, The Morning Grind, allowing her longtime employee to run the coffee shop while she dives into a new adventure with her best friends. Victoria and Jake are looking into ways to continue spicing up their love life, when they make a big decision that will change everything. After being shaken by an occurrence straight out of a romance suspense novel, Marley, turns to the pipe and away from the people who love her. When forced to face reality, she does it, in her own way, of course. What happens in Vegas sometimes doesnt stay in Vegas. Grab your BOB and get ready for an adventure, Boyfriend Book Stand style.
