## COUNTDOWN: If you knew how many days you had left...

Dr. Christopher Mills, a research scientist working in Cleveland, Ohio has made a discovery that determines exactly how long one has to live down to the day. This technology is sold to the highest bidder, ARCHKEMP, a research firm. Dr. Mills finds himself trapped between the research he has developed for good and the hands of domestic bioterrorism. He will rely on friends, family, faith, and inner strength to survive in this suspenseful science fiction thriller. Teach us to number our days that we may gain a heart of wisdom. Psalm 90:12
