

Night Riders: A Quirt Adams Adventure

When a friend of Quirt Adams is beaten by a group of hooded horsemen that call themselves Night Riders; and told to vote for the man running against the current sheriff in the upcoming election, the trouble begins. Quirt is not about to let this bunch of cowards get away with forcing people to vote against their will. More trouble is brewing with a renegade Apache gang lead by Chequata, a fierce hater of the white man. Night Riders is an action packed Western that has it all; good guys, bad guys, Indians, and the US Cavalry.
