

Progeny (The Nidus Series Book 3)

Dr. Cylus Pine, an experimental psychologist takes in serial criminals to rehabilitate through group therapy. Remus enters Dr. Pines facility after exacting revenge of his abusive father. He begins his therapy with a serial killer, a mother, a bomber, and rape victim. Through the course of their therapy they discover the true effects of their crimes. The cause though is up to their interpretation of their own truth. PROGENY is the first of six novels.

Prapti said: Warning- This book is probably not suitable for those under 18 due to explicit Progeny (The Nidus #3) . This book is the third in a series but the first one released by the author purposely.
