

Ruin (The Ruin Series, Book 1)

New York Times, Wall Street Journal, and USA Today Bestseller Im not your typical girl. Ive been running away from the memories that haunt me for so long that depression has become my only comfort. I was content in the darkness...until Wes Michels offered to be my light. I didnt know that time wasnt my ally -- that every second that ticked past was one step closer to the end of something that was beginning to mean the end of myself. He tried to warn me. He promised me all he was able to offer--each moment as it came--but it would never be enough. Sometimes when you think its the end, its only the beginning. Wes thought he could save me, but in giving me everything, he ruined me. Because after one kiss, one touch, I couldnt--I wouldnt ever be the same. And from that moment on, his heartbeat became my own
