

## Bounty Hunters Daughter (Sagebrush Westerns)

For most of her twenty years, Delphina Estes has lived at home in the Arizona Territory. For all those years, her father, Hawk Estes, has been a bounty hunter. When his latest pursuit brings him near the Estes homestead, Hawk stops for a visit with his wife and daughter. But the men he is after turn the tables and brutally attack their home, leaving Hawk, his wife, and one outlaw dead... and Delphina on her own. When a lifelong friend proposes, she's uncertain about what to do - until the members of the outlaw gang that killed Delphina's parents try to kill her. One by one, she turns in their bodies to the sheriff for the price on their heads. Now there's only one left, Blackjack Parry, and talk about her family's past leads Delphina to believe that he might be more than her mortal enemy...
