

The Canadian Payroll (The Gunsmith Book 12)

A woman, a hot meal, a hand of poker that's all the Gunsmith is after when he rides into Montana. But there's no rest for this living legend of the six-gun. When a band of renegade U.S. soldiers plot to rob the payroll of the Northwest Mounted Police, the Gunsmith is enlisted in the fight to save the loot. Gunpowder chokes the air, and blood spills on the street. The Gunsmith just reckons to make sure that it's his powder, and the other man's blood!
