

The Chelsea Girl Murders: A Robin Hudson Mystery

When a fire forces TV executive Robin Hudson to vacate her apartment, she and her cat, Louise Bryant, take shelter in the legendary bohemian hostelry the Chelsea Hotel. But then a smoky-eyed art dealer dies on her doorstep, and our ever-reluctant heroine is drawn into a homicide investigation. Is the murder related in some way to the star-crossed and irritable young lovers who have appealed to Robin for help? Or to a deadly catfight between rival lovers of the victim? To sort things out, Robin must brave the whole downtown scene: guerilla artists, jealous women, Zen bodybuilders, gouty widows, and befuddled tourists. And to make matters even more complicated, Robin herself seems to have fallen accidentally in love.
