

The Color of Freedom

THE COLOR OF FREEDOM Born on a pig farm in Poland, Stanley and his wife Helen were victims of hard times and decided to move to America. They were taken in by Doctor Dell the farm owner. Taking in the Lumbee Indians as workers brought reprisals and troubles from a vindictive Army officer and renegades from the Civil War. With hard work, and the help of Stanleys suggestions, they managed to drive off the evil that plagued their new world.
