

The Old Storyteller

THE OLD STORYTELLER Now and then my mind wanders, sometimes into the past to when I had heard tales of woe or tales of laughter. Gathering together this variety of stories that I've read over many times I now pass them on to you. Most of these fiction stories I have heard over a beer and have written them as best as I could remember, but embellished a bit here and there just for your reading pleasure. I thought these stories might amuse you also.
