

The Long Orange Rides Again, A Comedy Western

This is a story about two ladies, Sharon Steven and Lemon Drop who teamed up to become outlaws. They would steal money, gold and silver from anyone and even steal from a dog or cat. It is a comedy in which two ladies go about it in a funny way and how they would steal, fight and the way they would fall in love and the way they won the West. The funniest part about this story is why they call themselves the long orange rides again.
