

## The Love Letter to the Black Woman: The Testament

This is a book that everyone should read. Its about remembering the love that has sustain the African American people. From the time we meet, to the time of marriage and for the building of the family, to the shaping of acommunity. Up to a brilliant stature that only found in the promised land of our hearts. This is a work of universal art that added to the African American treasure. The sacred love that found on these pages well last forever in the hearts of the African American woman. The love letter to the black woman, well stand its Ground and walk its own Earth.
