

## The Skeptical Muse: A Study of Gunter Grass Conception of The Artist (Stanford German Studies)

The Skeptical Muse: A Study of Gunter Grass Conception of the Artist focuses on Grass parodic re-evaluation of the German artist-hero in his novels, essays, plays and poetry. By means of an examination of this theme, a new assessment is made of Grass place in German literary tradition, his importance as a postwar historical novelist, and his recent speculation about the artists place in a postwar democratic society.
