

# The Young Lion Hunter

The Young Lion Hunter is the story of a young adventurer named Ken Ward, who helps to capture mountain lions and cougars in the Grand Canyon. In this tale, Ken rides mustangs, encounters a pack of hounds the likes of which has never been seen, gains a new appreciation for the insight of Native Americans, and explores a breath-taking wilderness. The Young Lion Hunter is an enchanting tale that paints a vivid picture of how the American West used to be - a hundred years ago. It is not to be missed by fans or collectors of Zane's work. Zane Grey (1872 - 1939) was an American author most remembered for his popular adventure novels and pulp fiction set in the Old West of America. He is best known for such works as: The Border Legion (1916), Wildfire (1917), and To the Last Man (1922). Many vintage texts are increasingly scarce and expensive, and it is with this in mind that we are republishing this book now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.
