

## The Hunt for Mr. Jacks

After the debacle of the Luxembourg Affair, al-Qaeda have put out an unofficial fatwa on Mister Jacks, with a rich reward being promised to the one who brings him down. Initially, the hunt is taken up by al-Hashashin but, when they find Jacks too difficult to locate, they enlist the aid of the Red Mafia. Now, Jacks is being hunted down by two of the worlds top assassins. Thanks to his mentor, Jacks learns that he is being hunted and from then on his ruthless instinct for survival comes into play. The hunted then becomes the hunter with fatal consequences.
