

The True Mystery of Hamlet, Prince of Denmark (True Shakespeare)

From the newly discovered Jamestown Shakespeare Manuscripts comes a 100% solution to the greatest mystery ever conceived by the mind of man: Hamlet, Prince of Denmark. The historical Sherlock Homes (not to be confused with Holmes, his fictional namesake) investigates the deaths of Prince Hamlets father and uncle, the queen mother, Hamlets school chums, his girlfriend, his girlfriends father and brother, and of the sulky prince himself. Homes plucks the heart from Hamlets mystery long before Sigmund Freud attributed the young heros problems to an unresolved Oedipal Complex.
