

Tyler Ponchos Amalgamated Menagerie

Join Tyler Poncho and his many friends on his adventure to find a new home! Tyler Poncho is the ultimate happy-go-lucky monster, guaranteed to be full of intense love. He comforts with his points, warm fur, and super smiley demeanor. Along his way he meets Chilly Lomedome, who makes flowers appear where he steps, and Gruffy McBearguin. The extreme cold of the antarctic caused a genetic mutation amongst the penguin population, and Gruffy was born. At least he has the best mustache on the continent. Read volume one to meet more of Tylers companions.
