Danny is overwhelmed with happiness being with Peter but his joy didnt last for long. Fate decided to take a cruel joke on them Garret is Dannys long lost brother. Book Excerpt The waves crashed against the bottom of the rocks, spraying Danny with a heavy mist as he sat on the jagged stone surface and watched the ocean. It was like someone playing a cruel, twisted joke on him. Garret had appeared on the beach last night like an angel from God, easing his pain, showing him a brighter, more hopeful future than hed ever envisioned with Peter. Then it was all just gone in the blink of an eye. In the time it took to make an introduction. Danny, this is your brother. Danny watched the waves slam against the rocks as the pain inside him slammed into his heart. Your brother. He shook his head slowly. His elbows ground into his knees as he leaned forward. He isnt my brother. He isnt! We made love! We connected. We fell in love! Danny choked on a sob that swelled up suddenly, and wiped at his wet eyes and secreting tears.
