

## Michel-Ange (French Edition)

Erudit et esthete, Dimitri Merejkovski nous plonge ici dans l'Italie des premieres decades du 16e siecle. Epoque violente, ere de toutes les alliances politiques, le temps est a la confusion entre grandeur politique et reconnaissance artistique. Merejkovski y convoque les grands noms d'alors : grandes familles comme les Della Rovere, Les Medicis ou les Colonna ; la succession des papes Jules II, Leon X, Clement VII, Paul III, Jules III, Paul IV en toile de fond ; l'Arretin, Cellini, Vasari pour temoins des temps, le tout sur fond de rivalite entre les grands peintres d'alors : Vinci, Raphael, Titien, puis Bramante, rival farouche, artiste interesse fort a l'intrigue, complice avere de nombre des complots dont aura a se departir Michel-Ange. Partisan, admirateur, Merejkovski prend faits et causes pour le genie de Buonarroti. En conflit avec l'autorite, genie obsede de perfection, Michel-Ange, que convoite le sultan Bazajet II, se debat entre inspiration, reconnaissance, liberte artistique et soucis financiers. Les voutes de la Sixtine, Le jugement dernier, le grand tombeau que reclame Jules II, le grand artiste commence, sarrete ; on le contraint ; mais toujours y arrive-t-il : Michel-Ange, homme-dieu, finissant a chaque fois par tirer l'excellence du moindre de leur piege.
