

The Weakness In Me

A steamy, erotic tale of intrigue and lesbian love. This is more explicit than Jackie's other books so stay away if erotic games between two women shock you. There are erotic moments of domination and submission but there is also love. Jennifer is an up and coming lawyer in a misogynistic legal firm where her boyfriend also works. To any bystander, Jennifer's life was perfect except she had nagging doubts about her relationships and a secret she could not reveal to anyone. Then, a strange erotic BDSM episode destroys her life! Jennifer has to rebuild life and herself, growing significantly in the process and understanding exactly who she was!
